Dear Parent

Indeed, these are traumatic times. I do trust that you and your family are safe from all harmful viruses. May you stay in good health.

On behalf of the Board, I thank you for your ongoing support of Maryvale College. The staff have commented on the friendly, supportive and warm relationships between the home and the school.

In the present financial crisis, families have had to make many sacrifices. Many family budgets have had to be cut to the bone. Essential payments have received top priority. Thank you for taking that approach as regards honouring school fee payments. Without such an ongoing spirit of goodwill, the school would be in severe financial straits.

Our hard-working and loyal staff are also making sacrifices. Next year they will not receive salary increases nor bonuses. Our gratitude to them is also immense.

The Board is resolved – as far as possible – to have no staff retrenchments in 2021. It has also made these decisions which will help reduce financial burdens for our families:

- There is no increase in school fees for 2021.
- An amount of R 650 per child in the primary school is to be refunded to the school fee account. This amount is in lieu of the amount that was billed at the start of this year for educational trips and library fees.

As we continue to work together for the benefit of the children, may we ensure that they get an education that they fully deserve – an education of true quality.

Very kind wishes

Richard Hayward
