

**CATHOLIC SCHOOLS SPORTS  
AND CULTURAL COUNCIL**

Catholic  
Schools  
Office

04 February 2021

Dear Principals and Heads of Sport

In support of the national and global efforts to contain Covid-19 and in line with the current adjust Lockdown Level 3 Regulations, the committee of the CSSCC has decided to postpone all events for Term One. This period starts with the High School Cricket Festival and finishes with the Sports Leaders Day in March.

We are busy putting together resources that may be used to keep children active, as well as engaged in sports-related activities, with minimal connectivity and equipment, while we are unable to have sport at schools. These will be distributed to our schools from next week. Please share any suggestions or ideas with us.

Acknowledging the challenges ahead for restoring sport in our schools, we remain hopeful that we will be able to facilitate most of events this year. We will also be looking for new dates for the events that we have postponed in Term One. All relevant information and new dates will be sent to you once they have been confirmed.

We wish you all good health and fortitude.

Yours faithfully,  
Catholic Schools Sports and Cultural Council Committee
