NEWSLETTER 2/2021

12 February 2021

Dear Parents/Guardians

1. Welcome

We look forward to having all our learners back at school as from Monday 15 February 2021. While the grade 12s and 8s have already settled into an academic routine we look forward to the full complement of learners, albeit on a rotational basis. We hope to provide meaningful interactions within the confines of our level 3 lock down.

COVID protocols are adhered to strictly by the college but this must not deter us in building school, learner and parent relationships. We are very eager to meet you all in person and please do not hesitate to contact us should you have any concerns or want to share a personal achievement with us. We are also strengthening our social media platforms with Facebook, Instagram and our website. Please follow us and communicate with us.

2. Staff News

We congratulate Mr Peterson on obtaining his BA degree.

3. School Calendar

Finally we have had opportunity to finalise our academic calendar. While we are striving to align activities and calendar dates with the primary school we have had to adjust our dates slightly as a result of our Grade 12 academic programmes. I want to assure parents that there is a strong sense of cooperation and alignment between the primary and high school as we are conscious of the fact that we have parents with children in both schools.

Our calendar for 2021 is as follows:

Term 1:	15 February to 23 April
Easter break:	2 April to 6 April
Term 2:	3 May to 9 July
Term3:	26 July to 1 October
Term4:	11 October to 15 December

4. Tuck Shop

Mrs Pillay has opened the tuckshop. Sandwiches and food is pre-packed and all COVID protocols are followed.

5. School Fees/ Finance Queries

Please contact us on creditcontrol@maryvalecollege.co.za for all your financial queries. The accounts department has a new system to generate statements, should you have a query please send it to the given email address.

6. Library

Our library is fully operational and we encourage all learners to make use of the library.

In concluding I want to express my gratitude to all our learners and parents. It is heart-warming to witness a school alive with young people bustling, engaging and eager to participate in school life. We are hoping that we will soon be able to offer limited co-curricular activities so that we can fully participate within a “new normal” environment.

We thank you for your continued support.

Yours in education

Dr. R. Looyen (PhD)
College Principal
