NEWSLETTER 4/2021

12 March 2021

Dear Parents/Guardians

1. Matric Results 2020

Congratulations to our learners and staff who again upheld the Maryvale College legacy of a 100% pass rate. The college had 44 candidates registered for the NSC of which 38 received Bachelor 6 achieving Diploma passes. Thank you and congratulations to our parents and staff for their support in making this possible.

2. Academics

Our academic programmes have continued unabated. We have all our Grade 10,11 &12 learners back every day. The Grade 8 & 9 learners are still rotating. I am sure this is all frustrating to all of us. We do look forward to the day when we can have the whole school back at the same time. I want to assure all our parents that our academic programmes are on track and where learners experience difficulties we provide the support to them either during school times or after school.

3. Academic Awards

An academic awards ceremony will be held on the 19th March 2021 at 7: 30. This is a prestigious occasion in which we award our academic achievers. Regrettably we are unable to invite all parents of recipients due to Covid restrictions. We will however publish the recipient names in our next newsletter and hopefully our local newspaper will also publish an article on the occasion.

4. Extra-Curricular Programmes

Our extra-curricular programmes, although limited due to Covid restrictions, have commenced. The extra-curricular programme is on our website for perusal. While we are unable to play league or participate in competitions it is great to watch our learners having fun on our sports fields.

5. Annual General Meeting

Please attend our AGM on Wednesday 17 March 2021. You can either attend virtually or in person in our school hall at 18:00. Should you want the zoom link or attend in person please RSVP to Edwin Chiume echiume@maryvalecollege.co.za
