Newsletter 15

26 August 2021

Dear Parent/s/Guardians

1. Preliminary Examinations

Our grade 12 learners have commenced with examinations. These exams are extremely important and we wish them all Good Luck! We have high expectation of our learners and I am sure they will give of their best and do well.

2. Outreach

Maryvale College has always been at the forefront for caring for people in and around our suburbs. The COVID pandemic has affected all of us socially and economically. For many people the pandemic has been devastating and so we have embarked on an outreach programme. We are asking parents to please donate non-perishable tin food or clothing that you are not using. Thank you for caring.

3. Tracksuits

As from 2022 all learners will require track suits as part of their school uniform. These will be available directly from the school at an approximate cost of R600. Samples will be marketed to the learners and we are hoping that we can start selling these from October 2021.

4. Extra Mural Activities

Note that currently we are offering soccer, basketball, netball and choir. Learners must participate in at least one extramural. We thank the staff for willingly getting involved in the total development of our learners.

5. Civvies Day

We are having a civvies day on Friday 27 to raise funds. Learners need to pay R10.00 to their class teacher on the day.

Kind Regards

Dr R. Looyen.
