3. Outreach

Maryvale College has always been at the forefront for caring for people in and around our suburbs. The COVID pandemic has affected all of us socially and economically. For many people the pandemic has been devastating and so we have embarked on an outreach programme. We are asking parents to please donate non-perishable tin food or clothing that you no longer need. Thank you for caring.

4. Student Teachers

Currently we are hosting 4 student teachers from WITS University. Teaching experience is a valuable avenue for attracting future teachers to our school. The visiting lecturers have been most complimentary and provide value input on teacher development and training in the province. We trust that our student teachers have a meaningful experience with us at Maryvale College.

5. Summer Uniform

All learners must wear the correct summer uniform. Hairstyles must be in accordance with our code of conduct. The wearing of masks has led to some boys growing beards, moustaches and side burns. Learners will be sent home if they do not comply with school rules in this regard.

6. Finance

We welcome Mr Shaun Sterling who has been appointed to chair our finance committee. He is an experienced businessman appointed to advise the board on financial matters.

All fees for 2021 need to be up to date by end of November to ensure learners are accepted back to Maryvale College in 2022.

7. Applications for 2022

The College has begun accepting applications for 2022. Please be reminded that should your child not be returning to Maryvale College in 2022 a three months notification period (one term's notice) as per our contract is required.
